

## 2020 Rebate Summary

| Appliances  |  |        |                |
|---|--|--------|----------------|
| Heat Pump – Clothes Dryer                           | All heat pump clothes dryers qualify   | \$50   | each           |
| Clothes Dryer                                       | Must be ENERGY STAR & electric   | \$25   | each           |
| Clothes Washer                                      | Must be ENERGY STAR  | \$25   | each           |
| Dehumidifier  | Must be ENERGY STAR  | \$25   | each           |
| Dishwasher  | Must be ENERGY STAR  | \$25   | each           |
| Refrigerator  | Must be ENERGY STAR rated and ≥ 10 cubic. ft.  | \$25   | each           |
| Freezer   | Must be ENERGY STAR rated and ≥ 10 cubic ft.   | \$25   | each           |
| Inductive Range                                     | All inductive ranges qualify   | \$25   | each           |
| Recycling - Freezer                                 | Must be working appliance  | \$25   | each           |
| Recycling - Refrigerator                            | Must be working appliance  | \$25   | each           |
| Recycling - Room Air Conditioner                    | Must be working appliance  | \$25   | each           |
| Audit / Assessment                                  |  |        |                |
| Compressed Air Audit                                | \$500 cap  | varies | each           |
| Audit or Assessment - Implemented Recommendation(s) | \$500 cap  | varies | each           |
| Miscellaneous                                       |  |        |                |
| Flow Restrictor - Faucet                            | ≤ 1.5 GPM  | \$1    | each           |
| Flow Restrictor - Shower                            | ≤ 2.5 GPM  | \$5    | each           |
| Smart Power Strip/Bar                               | All WiFi power strips qualify  | \$5    | each           |
| Heating & Cooling                                   |  |        |                |
| Heat Pump - Air Source & MiniSplit                  | SEER 14+, HSPF 8.2+, or EER 11+  | \$250  | per ton        |
| Heat Pump - Commercial Air Source & PTHPs           | < 20 ton: EER 11+;<br>20 to < 60 ton: EER 10.5+;<br>≥ 60 ton: EER 10+                      | \$250  | per ton        |
| Heat Pump - Geothermal                              |  | \$600  | per ton        |
| New Furnace with ECM Blower Motor                   | Must be: variable speed motor <b>OR</b><br>AFUE ≥ 95% <b>AND</b> Eac ≤ 670 kWh/yr.         | \$35   | each           |
| Lighting  |  |        |                |
| LED Bulb (Screw-In)                                 | Five-bulb minimum  | \$0.50 | each           |
| LED Fixture   | Non-Residential  | \$0.50 | per 800 lumens |
| LED Exit Sign                                       |  | \$5    | each           |
| Occupancy Sensor                                    | Doesn't include motion detector fixtures   | \$5    | each           |
| Commercial/Industrial/Agriculture                   |  |        |                |
| Commercial Vending Machine Controls                 |  | \$25   | each           |
| Exhaust Fan   | Fans < 36" must be ≥ 18 cfm/watt @ 0.05" SP<br>Fans > 36" must be ≥ 21 cfm/watt @ 0.05" SP | \$1    | per inch diam. |
| Circulation Fan                                     | Fans < 36" must be ≥ 18 lbs. force/kW<br>Fans > 36" must be ≥ 21 lbs. force/kW             | \$1    | per inch diam. |

| <b>Commercial/Industrial/Agriculture Continued</b>     |  |             |        |
|--|--|-------------|--------|
| Electric Forklift Battery Charger                      | Must enroll in energy management program   | \$200       | each   |
| Dairy Plate Cooler / Well Water Pre-Cooler             |  | \$500       | each   |
| Dairy Refrigeration Heat Recovery with Electric Backup | Requires electric water heater in energy management  | \$300       | each   |
| Low/Zero Energy Livestock Waterer                      | ≤ 500 watts, insulated tank  | \$50        | each   |
| Scroll Refrigeration Compressor                        | \$1,000 cap per compressor   | \$30        | per HP |
| Variable Frequency Drive (VFD)                         | \$1,000 cap per drive; must be a minimum of 1/2 HP   | \$30        | per HP |
| <b>Water Heating</b>                                   |  |             |        |
| Heat Pump Water Heater                                 | Integrated (all-in-one) units, EF 2.00+  | \$300       | each   |
| Solar Storage Water Heater (75-99 Gallons)             | With Electric Auxiliary Tank   | \$125       | each   |
| Solar Storage Water Heater (100+ Gallons)              | With Electric Auxiliary Tank   | \$300       | each   |
| Water Heater (80-99 Gallon) - on Incentive Rate        | ≥.90 EF; must enroll in energy management program  | \$250       | each   |
| Water Heater (100+ Gallon) - on Incentive Rate         | ≥.90 EF; must enroll in energy management program  | \$400       | each   |
| Water Heater (50-79 Gallon) - on Regular Rate          | ≥.90 EF  | Up to \$500 | each   |
| Water Heater (80+ Gallon) - on Regular Rate            | ≥.90 EF; must enroll in energy management program  | Up to \$800 | each   |
| <b>Touchstone Energy Home Program</b>                  |  |             |        |
| New Home   | Must meet 1 of 3 program/code requirements   | \$500       | each   |
| <b>Electric Vehicles</b>                               |  |             |        |
| Electric Vehicle Charging Station                      | <ul style="list-style-type: none"> <li>For a licensed vehicle for road use</li> <li>Level-2 Charger, hard-wired</li> <li>Must enroll in energy management program</li> </ul> | \$500       | each   |
